Summary: My first fan-fic. Okay, it maybe pretty lame, but PLEASE don't flame me! It's about two certin people kissing

A kiss*

> <meta name="Generator"> A second, an hour, a day **

Everyone is asleep.

Only my love and I are awake

A fire separates us but, not for long

My love walks to me

I look into her eyes

They shine and sparkle

Filled with love and compassion

Our heads move close

Her lips touch mine for a kiss

The kiss lasts for

A second, an hour, a day, a century

I feel it lasts forever

In that feeling of forever

She is mine and I am hers

We are one for a second, an hour, a day

Forever

Nothing lasts forever

She breaks away

The feeling of forever is gone

Now we are two, not one

My love walks away

I try to call to her

For another kiss

But, I am lost for words

A feeling tells me that I have lost her too

A feeling tells me that

Our first kiss is our last

Now she is not my love

She is

Sora Takenouchi

And I am

Not her love

But

Just, plain, old

Taichi Kamiya

I was lost for words

And now I have lost my love

**
